

## **Auto Accident Attorney Fees**

The Sheri Hoidra Law Office, LLC, will represent you in your auto accident/personal injury case in the State of Maryland on a 33.33% contingency fee based on the total amount covered. A contingency fee means that you will not have to pay anything unless a recovery is made in your case.

For example, if you are in a car accident and the damages recovered in your case are \$100,000, your attorney's fees will be \$33,333. This compensates Sheri for her time and effort in reaching a successful outcome in your case.

In addition to your attorney's fee, you would also be obligated to reimburse any out of pocket expenses paid for by your attorney in prosecuting your case. An example of out of pocket expenses would be getting copies of your medical records. Often, through successful negotiations with the insurance company, a trial is not necessary and out of pocket expenses are kept to a minimum.

Please call the office at (443) 660-7513 for additional information.
