

Criminal Defense Attorney Fees

The Sheri Hoidra Law Office, LLC, will defend you against criminal charges originating in the Maryland District Courts under the following fee schedule. The fees quoted are based on the typical case for the crime or traffic violation charged. Call Sheri at (443) 660-7513 for a final quote. If your trial is conducted outside of the Baltimore-Metro area, there will be an additional cost associated with travel.

Please note that if you elect to pursue a jury trial, this transfers the case to the corresponding Circuit Court, but the fee remains the same. This puts your mind at ease if it strategically makes sense to pray a jury trial.

This is not an exhaustive list, so if you have been charged with a crime not listed below, please call the office at (443) 660-7513 and a fee quote will be provided.

All fees must be paid in full one week before the scheduled trial date. Payment plans are available!
