

## **DUI/DWI Attorney Fees**

The Sheri Hoidra Law Office, LLC, will represent you in a Driving under the Influence (“DUI”) and/or Driving while Impaired (“DWI”) charge originating in any District Court in the State of Maryland for a flat-fee rate of \$1,500.00. The fee quoted is based on the typical DWI and/or DWI case. Payment plans are available!

Representation for miscellaneous misdemeanor charges stemming from the same incident such as speeding or reckless driving are also *included* in the fee (within reason).

Please note that if you elect to have a bench trial, the fee may increase depending on jurisdiction. If you elect to pursue a jury trial, the fee will increase as it transfers the case to the accompanying Circuit Court.

If a hearing is appropriate before the Office of Administrative Hearings pertaining to the administrative consequences of a DUI and/or DWI charge, representation at this hearing is *an additional fee of \$600.00*.

If your trial or hearings are conducted outside of the Baltimore-Metro area, there will be an additional cost associated with travel.

Please call Sheri at (443) 660-7513 for a final quote.
